

NEW AND IMPROVED
FIELD STATION

More security, durability and productivity inside and out. All the features and functionality you need at command central.

KNAACK

WWW.KNAACK.COM

Your new office is ready. For anything.

You told us. We listened. Together we've designed the best Field Station ever! New features that provide even more security and durability. New accessories to keep you organized. So, your new jobsite office is ready for business. For weather. For any challenge that comes its way.

STANDARD FEATURES

Security

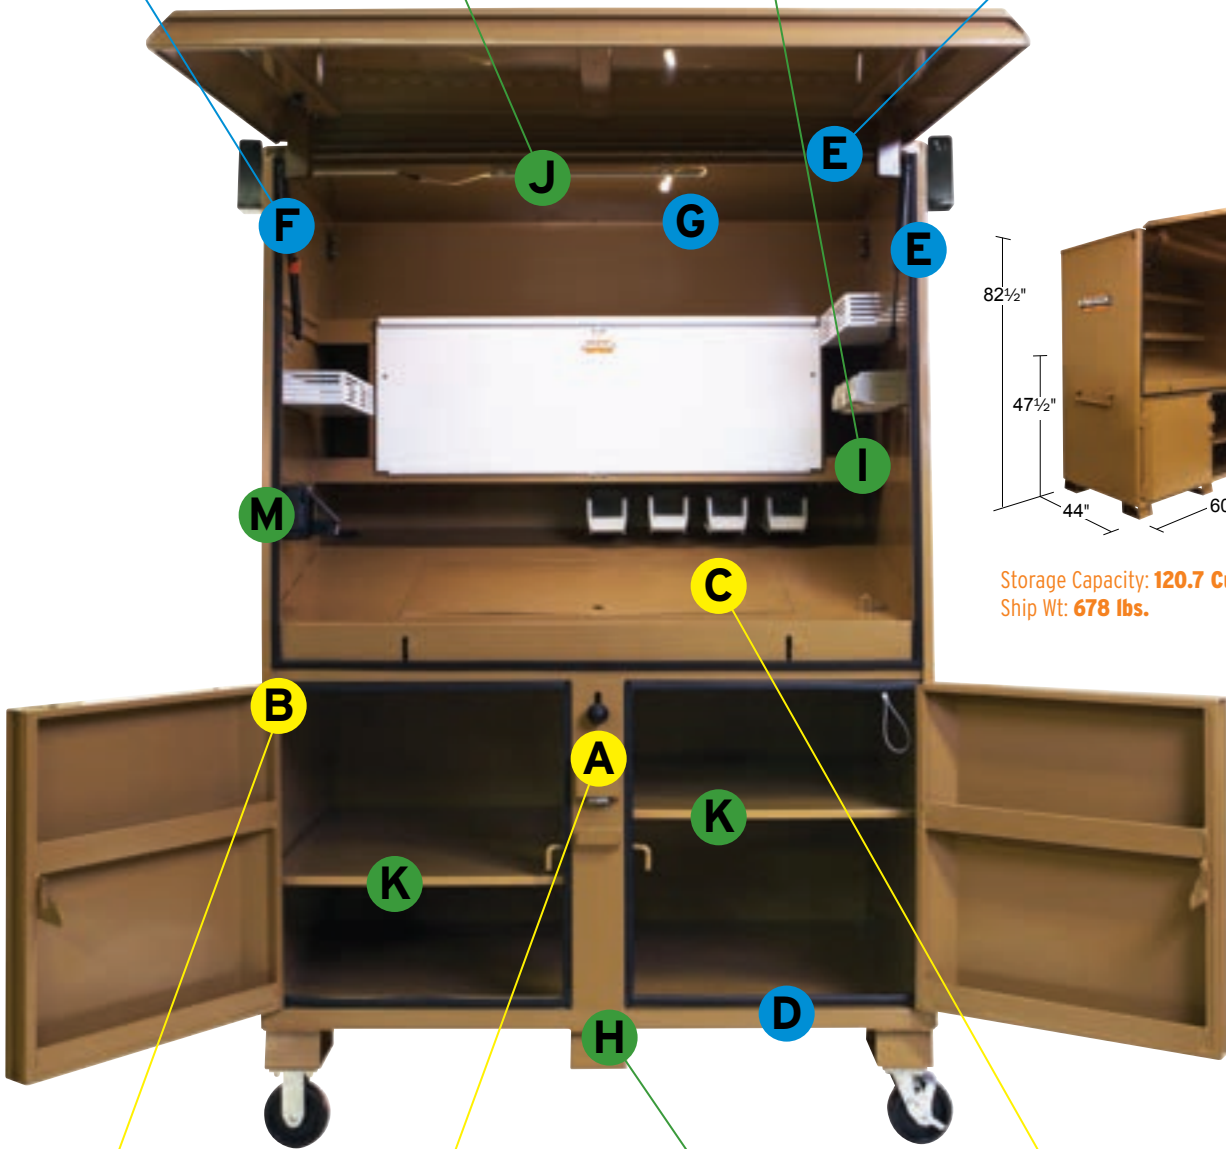

- A NEW!** WATCHMAN® 5 Lock System features heavy-gauge double latches and a vertically mounted recessed lock that resists drill-outs, prying and cutting for superior tamper- and weather-resistance.
- B NEW!** Heavy-duty vault-style hinges. Bottom doors interlock with body to provide maximum pry-resistance.
- C NEW!** Locking storage hatch with power pass-through protects valuables while Field Station is open. Also locks in open position.

Durability

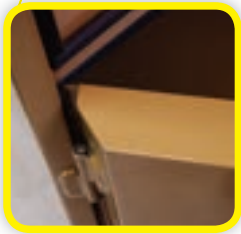

- D NEW!** Thicker 14-gauge steel bottom provides enhanced structural rigidity, durability and strength.
- E NEW!** Weather-stripping and rain gutter keep moisture out.
- F NEW!** Dual gas springs for smooth, one-handed lift. One spring locks securely in place.
- G** Fully arc-welded seams. The toughest, most durable construction you can get. Powder-coated 16-gauge body for maximum durability, strength and corrosion-resistance.

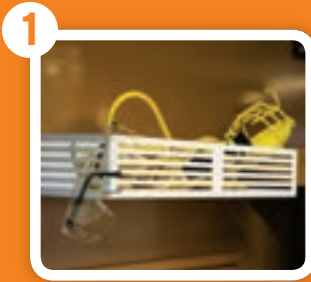

Productivity

- H NEW!** Four-way skids allow access from any side, making it easier and faster to transport.
- I NEW!** Two long, deep storage shelves with grommets power pass-through; optional door adds security.
- J NEW!** Metal bracket welded to ceiling of field station to use as light mount.
- K NEW!** Adjustable and removable split shelves let you organize your storage down below.
- L** Fold-down side handles are easy to grab and fold flat and out of the way.
- M** Power knock-out is provided with a weather sealing grommet to allow installation of a power supply (power supply not included).

Storage Capacity: 120.7 Cu. Ft.
Ship Wt: 678 lbs.
