

# Vibrastop™ | VIBGV

Vibration-dampening gloves with leather palms for durability and protection against high-frequency hazards

ABRASION

PUNCTURE

ANSI  
Probe

## ABOUT THE PRODUCT

Our Vibrastop™ VIBGV gloves are designed to offer protection against high-frequency vibration hazards. Made with vibration-dampening material, they feature an orange back-of-hand material for better flexibility and comfort, while their leather palms offer improved durability for a longer wear life. An adjustable wrist strap provides a snug fit for comfort.
